INSTALLATION

- › Installation should be carried out by a suitably qualified tradesman.
- 1. Once the shower slider/grab rail has been installed this bracket can be installed on it.
- 2. Take the infill part out of the back of the bracket.
- 3. Push the bracket onto the shower slider/grab rail until it clamps.
- 4. Put the infill back into the back of the bracket.
- 5. Push the grey clip through the bracket and the infill to lock the infill onto the back of the bracket.
- 6. Ensure the grey clip is pushed all the way through and then secure the grey clip on the opposite side with the screw provided
- 7. Always carry out a functional test after installation and report any issues immediately.
- 8. Please leave these instructions with the user.
